### **A Taxing Time Made Simple**

The Yahoo! Finance Tax Center provides a complete set of tax resources in one convenient location. Consumers can print out federal and state tax forms, access IRS instruction booklets, get easy-to-understand guidance on hundreds of tax-related topics, refer to important IRS deadlines on the Tax Calendar, and discuss tax issues with other taxpayers on Yahoo!'s active message boards. The Tax Center also offers a variety of tips on tax topics, as well as the ability for taxpayers to prepare and submit their tax return electronically to the IRS. ALL NEW to the Yahoo! Finance Tax Center in 2003 is PAY1040.com powered by LINK2GOV, which enables individuals to pay their taxes on line.
